Wine Bottle Carrying Case

Imagine a gift that combines innovative design, functionality and personalization. The LIGHT carrying case is much more than a simple bottle-transport accessory: it is a transformable piece for wine lovers who value multifunctional objects with a personalized touch. It features a cork band, a sustainable and characteristically Portuguese material, which can be customized with messages, logos or illustrations.

Inspiration

At VinoGuard, we believe the art of storing and displaying wine begins with the passion of those who appreciate it. Our wine racks, available in a variety of models and finishes, are designed to integrate easily into kitchens, living rooms, cellars, restaurants and commercial spaces.

Our inspiration comes from our customers: every installation tells a unique story, reflecting their style, their space and their wine collection. Whether the arrangement is discreet or dramatic, our products provide the freedom to create a setting that feels personal while showcasing your finest bottles.
